NEWSLETTER DISTRIBUTION LISTS

ACROSS THE 24 NETWORK

WHY ARE OUR NEWSLETTERS DIFFERENT?

LET'S SAY YOU ARE LOOKING TO PURCHASE A FERRARI AND SPECIFICALLY WANT A **RED** ONE.

TRADITIONAL LISTING SITES

INCLUDING MLS AND AGGREGATORS

- ✕ You search online and visit multiple websites.
- ✕ You register with everyone giving away your details.
- ✕ Your details are shared with other companies.
- ✕ You receive emails about blue Ferraris, green Ferraris, Porsches, Lamborghinis and more.
- ✕ Lots of irrelevant marketing that you didn't ask for.
- ✕ You have to keep unsubscribing.

MORE WEBSITES. MORE NOISE. LESS RELEVANT RESULTS.

24SYNERGY

A SMARTER WAY

1. You register only once.
2. Then you join our "Red Ferrari List".
3. We then invite the publishers to send direct to that list.
4. Publishers can only send you information about Red Ferraris. Nothing else.
5. You can pause at any time.
6. We recommend only joining a list for 72 hours.
7. The publishers know they are sending details to someone who is only interested in a red Ferrari.

RELEVANT INFORMATION. GENUINE OPPORTUNITIES. A BETTER EXPERIENCE.

STILL WANT LISTINGS? YOU CAN STILL DO THAT.

OUR SITE WILL IMPORT ALL YOUR LISTINGS AS WELL.

IT'S YOUR NETWORK AND YOU HAVE YOUR SAY IN SHAPING THE FUTURE.
